School Uniform Expectations

As valued members of our school community, all children are expected to take pride in their appearance and to do this, we ask that they wear the appropriate school uniform for all activities.

All of our branded uniform can now be purchased through PL School Wear, either on line or at their shop: Unit 1 Goodchild Parkway, Sir Henry Lee Crescent, Aylesbury, Bucks, HP18 0PE

PE Kit (Reception year group only)

Children in Reception change at school because learning to dress themselves is part of the Early Years curriculum. Please provide all named items listed below in a named bag to keep in school.

- **T-shirt** - should be the allocated house/team colour (blue, green, red or yellow)
- **Shorts** - blue or black
- **Jogging Bottoms** - blue or black
- **Jumper/Hoody** - blue or black

Outdoor Clothing

As a school, we promote outside play all-year round. The children benefit from time outside and they should be allowed to access this, no matter what the weather. In order for your child to do this, we ask that your child comes dressed appropriately for the weather, including:

- **Coat** - a sensible outdoor coat of your choice, something waterproof is required for wet days.
- **Wellies** – these are very important for wet and cold days where the children will still access the field. A change of footwear allows them to enjoy playtime without dirtying their uniform.
- **Waterproof clothing** – children should have waterproof trousers or an all-in-one suit to wear outside and/or in our Forest School area.

Financial support

Parents/carers in need of financial support for purchasing school uniform and PE kit should either email or speak to a member of our school office team. All information shared with any of our staff members is dealt with sensitively and confidentially.
