

PTFA Code of Conduct

(for committee & volunteers) - updated Oct 2025

We want all PTFA activities to be welcoming, safe and fun. As a PTFA member or volunteer, please:

1. **Be respectful** – Treat everyone kindly and listen to each other's ideas.
2. **Use positive language** – No swearing, shouting, or negative comments in or around school/events.
3. **Support the school** – Remember the PTFA is here to help, not to direct school policy.
4. **Keep things confidential** – Don't share personal or sensitive information outside the PTFA.
5. **Set a good example** – Be a positive role model for the children at all times.
6. **Stay safe & responsible** – Follow safeguarding and health & safety guidance.
7. **Be fair with money** – All PTFA funds should be handled honestly and transparently.

✓ By helping with the PTFA, you're agreeing to follow this Code of Conduct so that everyone enjoys being part of our school community.
