Who are the PTFA?

We are a group of parents and carers who meet once every half term to discuss ways we can raise money to help the school fund projects that enhance all our children's school lives. There are plenty of ways you can be a part of our group. Whether you'd like a key role or would just like to give a few hours of your time to help out, it's all needed and much appreciated.

Get involved

Our WhatsApp group is the place to come to share ideas and get the conversations going. Our volunteer hub is the place to be to find out where and when events are happening and how you can give your time.

Prizes to give

We have a raffle manager who will happily accept any donations of prizes throughout the year, ready for our events. So if you've anything suitable, or know of any companies that can help this is the place. We can always use more prizes, especially for big events.

Communication

Our newsletter goes out fortnightly with the school newsletter and we are always looking for people who can help make our news look good for all to see. It's really important that we communicate with everyone what we are doing and when. We also like to celebrate the successes with everyone too.

Do you love planning?

We always need helpers to coordinate stall holders, volunteers, prizes etc knock yourself out with a spreadsheet or two and help us keep everything running smoothly.

Or maybe you're a whiz with social media and would love to take charge of our socials. We'd always love more help spreading the word of all the events we do and how the money we raise helps enhance the children's time at school.

No matter how much or little you can do, we appreciate everyone who makes the effort to be part of the PTFA. As head governor James Ferris said

“Without the PTFA Broughton Community School would just be Broughton School”

Thank you.
