Executive Headteacher: Mr C Reed

Monday 8th December 2025

Dear Parents and Carers,

As some of you may be aware we currently have a number of children off school with illness and all with very similar symptoms. These include

- Fever/High temperature
- Sickness
- Cough/sore chest
- General aches and pains

On Friday a number of classrooms across both schools were deep cleaned to help stop the spread of any illnesses in school however this is not always successful. We will continue to do this on a regular basis to help try and prevent further illness across the schools. We have taken advice from Public Health Buckinghamshire and they have explained that what we are doing is as much as we can do at this current time.

They have forwarded on the following link to help remind and reassure parents around attending school - <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Whilst we want children to be in school as much as they can we also don't want children to come into school if they are ill/have a temperature so please follow the guidance above. Please also remind all children about hygiene, washing hands after coughing and sneezing and making sure that tissues are always thrown into the bin.

If you have any other concerns then please do not hesitate to contact me via either school office.

Yours sincerely,

Mr C Reed
Executive Headteacher
