Sibling Photographs

Dear Parents/Carers,

On the 2nd October we have arranged for the School Photographer to come in to take our annual individual/sibling photographs.

As always, we want to offer the opportunity for families to have photographs of all siblings together, but if the siblings are split across the Infant and Junior sites, this presents a logistical problem that is very disruptive to the children's learning.

This year, we have decided to offer families a morning 'drop-in' session from 8am at the Junior School for parents to bring their siblings (if the siblings are split across both schools) to be photographed together. If siblings attend one site, then they will be photographed together during the day, as normal. This is something we spoke about with the Parent Forum and agreed to trial the process.

If you have siblings across both the Infant and Junior sites, you will need to report to the Junior School Hall at 8am on 2nd October if you would like a photograph of all siblings together. We will not be operating a booking system for this, it will be on a 'first-come, first-served' basis so you will need to be prepared to wait.

We hope that this gives everyone the best opportunity to have photographs together, without the need for huge disruption for the staff and children.

If you have any issues or questions, please speak to the school office.

Mrs L Rackham & Mrs L Fletcher
