

Executive Headteacher: Mr C Reed

### School Milk Scheme

Our school provides a milk scheme that is available to all of our pupils and we will register your child initially for this provision. **School milk is free for all under-fives and children entitled to 'means tested' free school meals and is subsidised for other children at around £18 per term.**

The administration, payment and provision of milk is handled by a company called 'Cool Milk'. Each pupil will receive a carton of semi-skimmed milk every day, which is delivered fresh and chilled to the classroom.

#### My child is under five:

- The school will automatically register your child for free milk. Please let the school office know if you do not wish for your child to be given milk in school.
- Free milk will continue until the Friday before your child's fifth birthday. If you wish for your child to continue to receive milk after their fifth birthday then you will need to register with cool milk yourself and pay them directly.

#### How to register

- Simply register your child at [www.coolmilk.com](http://www.coolmilk.com) and complete their registration form online.

#### My child is five or older

- Complete a registration form or register online as soon as possible. Shortly after registering you will receive a payment request.
- You can pay Cool Milk either online, over the phone, at a local PayPoint or by cheque in half termly, termly or annual instalments.
- Please pay by 5pm Tuesday for your child's milk to start the following week.

If you have any questions regarding school milk please visit [www.coolmilk.com](http://www.coolmilk.com) or contact Cool Milk directly on 0800 321 3248.

Parents pay Cool Milk direct. There is no cheque or cash handling by the school.
