**Small people
make a BIG
difference!**

September 2026
Issue 1

Welcome to all our parents and carers! Every two weeks, we aim to send out our latest newsletter to keep you informed about what we're planning and hopefully encourage you to come along and help.

Join us for our Annual General Meeting

**THURSDAY
24TH SEPTEMBER**

7.00PM

**BROUGHTON
INFANT SCHOOL**

This is your opportunity to find out what we do, hear about our fundraising, share your ideas for the future and, hopefully, join us!

Our PTFA is run entirely by volunteers and three of our four current committee members will be stepping down in the near future.

WITHOUT NEW COMMITTEE MEMBERS , THERE MIGHT NOT BE A PTEA

We need new people to come forward to keep the PTFA running.

Come along, have your say and help shape the future!

Could you get involved?

You don't need previous committee experience – just enthusiasm, ideas and a willingness to help.

- ✓ Joining the committee
- ✓ Helping at events
- ✓ Sharing your skills and ideas
- ✓ Supporting with administration
- ✓ Volunteering your time

Every little bit helps!

Interested in joining the committee?

In order to be on the committee, members must have a volunteer role for the PTFA for at least one year.

This helps ensure committee members understand how the PTFA works and can make an informed contribution.
