Newsletter

Friday 11th September 2026

Dear parents and carers,

Welcome back everyone - it has been a week and a bit now and it has been, for the most part, a quiet start to the term. I know that for some children it can be tricky coming back to school after such a long time off, however the children have done brilliantly. There will always be some that find it difficult, that is to be expected but I want you to know if that is one of your children then that is absolutely normal. We are here to help and things will get better.

A special mention to all our new children in Early Years - we have all been so impressed with how the children have come in and settled into their new routine. They will be tired today but they will get used to the longer days in school. Thank you to the parents too for coming along to the new parent meetings - I hope you have found these useful to attend.

Over at the Junior School there has been some work completed over the summer and you will see where a new pipe has been laid ready for the building work to start at the end of the month. This is still on track to happen and I will send out a separate letter closer to the time so that you all know how it will impact the children. It is important to remember that when there is building work in schools there are strict rules and regulations about timings of work, noise level and safety. There will be some impact because of the location but we are excited that our children will, eventually, have two brand new classrooms to move into.

There has also been some work on the bus, it has been painted ready for its mural, it has been cleared ready for flooring and there is about to be a path ready to be laid and some decking. Things are moving in the right direction for this, it has taken some time to get started but we are getting there. A big thank you to all of those who have raised money through the amazing PTFA for this project. Once this is completed it will be a brilliant resource for all the children in the Infant and Junior Schools.

Our first newsletter of the term is always just the key dates coming up for this term and any other big events that we have over the course of the academic year that we have confirmed dates for so please do print this off or save it somewhere as a reminder about what is coming up in schools.

I hope you all have a lovely weekend and I will look forward to seeing you all next week.

Mr Charlie Reed

Children ♥

You're invited to our annual

AGM

Annual General Meeting

Thursday
24th September

7pm

Broughton
Infant School

Join us to hear about the year's activities,
find out what's coming up, and learn how the PTFA
supports our schools.

It's also a great opportunity to meet the team,
share your ideas and get involved!

Committee roles

As part of the AGM process, the existing committee
will step down from their current roles before
re-standing for the roles if they so wish.

♥ Same team,
new term!

Interested in joining the committee?

Anyone who wishes to join the committee and who has
volunteered for a year may also stand for committee roles
and be voted in at the AGM.

♥ New faces
always
welcome!

Any questions?
