Ensuring every child THRIVES

Broughton Community Schools

Newsletter

Friday 25th September 2026

Dear parents and carers,

I hope you are all well and enjoying this last little bit of warm weather we are having!

I am hopeful you will have seen the letter this morning about the building works starting at the Junior School this weekend. I know that there will be some disruption however, the schools, the local authority and the contractors have done their very best to minimise this as much as possible. It is also an exciting time for the Broughton Federation - we are expanding our offering and highlighting our strengths as a school that supports children with trauma and special educational needs and also promoting inclusion for all children.

Children will also get to have their involvement in the building project over the next year. Whether that is signing bricks or just visiting the site, we want to ensure that all children have the opportunity to have some involvement and leave their legacy at Broughton!

We do our best to ensure that teachers are available most days either before or after school. However, it has become more apparent that parents want to speak to a teacher and the expectation is that they will be free to come out and do this. Please be mindful that it is not always possible to do this as the teachers may be in class or in a meeting. If this is the case just drop them a message via another adult on the playground and they will get back to you. You can always email the office asking for a phone call or use the class email addresses.

Some of you will have noticed the Bus project has finally started moving - we are slowly getting there with it. Decking has started to be laid, the inside has been mostly cleared and it has been given a base paint too. We are hopeful that the flooring going in soon and the mural for the outside is still to be agreed along with some window replacements. We know over the last 18 months the PTFA have helped raise a substantial amount of money through your donations, however there are some trades that we still need voluntary help from. If you are an electrician or a bus engineer, or you know someone who is, then please do get in touch with us as we still do need your help!

Coming up next week we have the club bookings going live. Please only sign up for your child if you know they will be attending every session, we want our clubs to be full to show best value for money. We are still one of only a few schools who offer free after school clubs in the area but we need them full to continue the offer! I hope you have a lovely weekend and see you all next week.

Mr Charlie Reed

Important notices

Once again, we are looking for some volunteer readers who are able to regularly dedicate a morning or an afternoon to come and read with children in school. This has been invaluable to us over the last few years! If you would like to find out a bit more, please email the school offices: Juniors: office@broughton.bucks.sch.uk Infants: office@broughtoninfant.bucks.sch.uk Thank you!

School Photographs

Please ensure that you have given consent in ARBOR for your child to have their photograph taken on Thursday 1st October, please note that if you have not responded then we will assume that you are happy for your child to be photographed.

Siblings will have their photos together if they are in the same school ie. Infant only or Junior only. If you have children at both schools and wish for them to be photographed together then please bring them to the Infant hall from 8am where you can get their photos taken together. This is a first come, first served service and you will be required to wait with your children.

Strong foundations information session at 9:00am on Wednesday 30th September in the Infant School hall

The parents/carers of all pupils in Years 1 to 6 are invited to an information session led by Mrs Rackham and Mrs Fletcher about the importance of strong foundations. Strong foundations for learning help children develop confidence, communication, independence and essential skills. These experiences support future learning, helping children become curious, resilient and successful at school. Please join us in the Infant School hall for more information.

Ensuring every child THRIVES

What's been happening in Year 5?

We were very lucky to start the academic year with brand new therapeutic classrooms! The children all seem to enjoy the less formal layout and are doing a great job of looking after their environment.

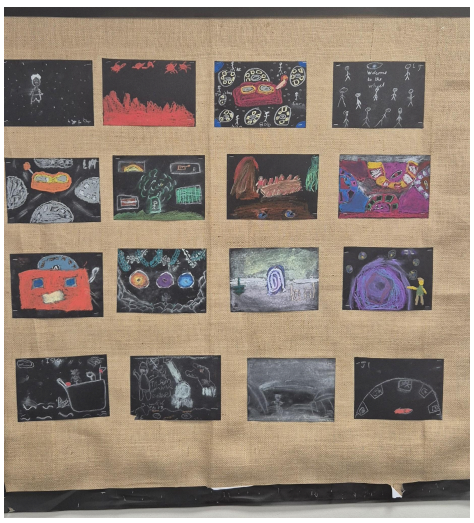

We have been reading The Viewer in English and enjoyed producing our visualisations of the space in between.

Harvest Festival – Mufti Day

This year to celebrate Harvest Festival, we are inviting children to wear their own clothes to school in exchange for a donation of non-perishable foods.

This will take place on Friday 2nd October.

Donations can be taken to your child's class and we will collect them together and send them to the Aylesbury Vineyard Storehouse, a local cause we have supported over the past few years. Thank you in advance for your kindness and generosity.

Donation Guide

- Tinned meat (e.g bolognese, meatballs)
- Tinned fish (e.g tuna, salmon, sardines)
- Tinned soup (e.g meat, veg and tomato)
- Rice (dry) and microwave rice
- Pasta and instant noodles
- Tinned tomatoes
- Tinned veg (e.g peas, carrots, sweetcorn)
- Tinned pulses (e.g beans, chickpeas)
- Tinned fruit
- Custard/ tinned desserts (e.g. rice pudding)
- Biscuits
- Teabags and coffee
- Spreads (e.g. jam)
- Pasta/cooking sauce (e.g tomato, curry, chilli)
- Cereal
- UHT milk (whole, semi skimmed, skimmed)

Tamil

Aylesbury Tamil Kalvikoodam

2026-2027

New classes for the academic year begin on 05/09/26.

Our school's mission is to educate, promote and preserve Tamil culture among our diaspora Tamil children.

An improved, technologically-advanced (Including app) curriculum that makes Tamil easy to learn for children.

The only curriculum to be used in 12 countries.

Experienced teachers.

In the final examinations held last year, the majority of students achieved 'High Distinction' and 'Distinction' grades.

Let us be united by the Tamil language, which is the root of all the arts.

Saturday 09:00 am
Broughton Junior School
37 Parton Rd, Aylesbury
