Executive Headteacher: Mr C Reed

Friday 6th November 2026

Dear parents/carers,

Zoolab Visit

On Wednesday 2nd December 2026 the Reception children will be having a visit from Zoolab, a company that provides ethical, hands-on animal encounters and educational workshops.

As part of our Animal Safari topic we are learning about animals and their habitats. The topic will be focusing on teaching the children about animals that live around the world, how to look after animals and the importance of caring for our local and global environments. We are very fortunate to have the expertise of trained rangers from Zoolab who will allow the children to have 'hands on' experience and to further develop their scientific and investigative skills.

We hope that you will agree that this will be an invaluable experience. The school believes wholeheartedly in the value of these experiences and subsidises the cost of all visits as much as possible in an attempt to ensure that these opportunities are accessible and affordable to all. We are requesting a contribution of £9.60 per child to cover the cost of the visit. In the event of insufficient contributions, the event may have to be cancelled. If you have any difficulty paying for this visit, please speak to your class teacher.

Please make payment via the activities/trips section of Arbor by Wednesday 25th November.

Thank you for your continued support.

Mrs Cohen, Mrs Gibbon and Mrs Sieben.
